

Refuse

To Be A Victim

*Don't Give Crime a Chance
Share The Solution*

Of all the variables of a confrontation, the easiest to *control is your environment*.

The Refuse to be a Victim Seminar is designed so that we can become aware of criminal predators and their techniques, and act in such a way that we increase our chances of *avoiding criminal confrontation*.

The Refuse to be a Victim Seminar gives you information that assists in development of your own *personal safety strategies*.

Refuse to be a Victim Seminars teach methods to avoid dangerous situations and prevent criminal confrontations. Experts agree the most important factor in surviving a criminal attack is to have an overall safety strategy before you need it. Seminar topics address personal safety issues as well as home, automobile, telephone, technological and travel security. Seminar participants are presented with a variety of common-sense crime prevention and personal safety strategies and devices they may integrate into their daily lives.

This 4 hour Seminar was developed by the NRA and is great for groups large or small, friends, family, co-workers, church groups, organizations.
